One Donation - Double The Difference

This December, The Way Youth Zone is taking part in the Big Give Christmas Challenge, the UK's biggest match funding campaign.

Their goal is to raise £40,000 to make Christmas magical for the young people and families who rely on their support.

From **2nd - 9th December**

Every donation made online to their Together This Christmas campaign will be **DOUBLED!**

This helps us fund a month of festive activities including their popular Festive Fayre, Christmas parties, and other seasonal events designed to be affordable, inclusive and accessible for all.
