*"Hi everyone, I'm Clayton I work as an Art and sports Youth Worker on Saturdays during our fun-filled SEND Squad and family sessions. I love Saturday sessions as I get to meet new young people and be creative with activities to cater to the young people with SEN. It's a pleasure watching their growth and seeing the young people form relationships with one another."*

## WHAT WE GOT UP TO!

# TELL US YOUR STORY

At just 9 years old, Jamie is a vibrant and energetic young person who loves sports like basketball, cricket, rugby, and playing Minecraft. When Jamie first joined our SEND sessions on Saturday mornings, he found a space where he could truly be himself. The calmer atmosphere in the sports hall and the smaller group size helped him feel safe and relaxed.

It was here that Jamie discovered his love for SEND cricket and basketball and began forming strong bonds with trusted staff who made him feel welcome and supported.

Jamie's journey is a shining example of how we support young people with SEND to build confidence at their own pace.

## MEMBER OF THE MONTH

Oliver S

Oliver is a very lively, playful young person. He rarely ever misses a Saturday SEND Session, and loves to check out every activity we provide, especially cooking and climbing.

## STAFF SHOUTOUT

Clayton

We would like to give a big shout out and a farewell to Clayton, who you would usually find in our rec area, sensory, art, and music room. He will no longer be working on our SEND session and his creative energy will be missed as he was a big part of our planning for SEND activities.
